

FEBRUARY 2025

Dental Health Month

In the spirit of providing individualized care for each patient and their family, we have partnered with Faithful Companion. This family owned business offers customizable cremation and remembrance services modeled after human funeral practices. As always, our staff is here to guide you but take comfort that Faithful Companion is available 365 days a year if the need arises.

They need your help!

Aurora Animal Care Community is hosting a monetary donation drive & raffle to support Pasadena Humane. This shelter is committed to helping the local pets suffering from the Eaton Fire in California. Money donated will earn raffle tickets for a basket drawing on March 3rd. All money collected is going directly to this organization.

How do you keep up with your pet's dental hygiene?

We acknowledge brushing your pet's teeth can be difficult and tricky to achieve. Let's learn why dental health is so important for your pet's wellbeing. There are options available to help take care of your dog or cat's teeth but remember brushing is best!
